**"PATHWAY TO PROSPERITY"**

**HELP MOVE OUR COMMUNITY TO A BETTER FUTURE.**

Mayor Orlando A. Correa and the City of Raymondville Commissioners invite you to participate in the upcoming Raymondville Community Economic Summit.

Your participation is needed for consensus building of short, mid and long term priorities for our community. The Summit will bring together federal, state and local elected officials along with government agencies to learn of the City's needs and offer their support as the community works through the process of identifying the priorities for action. The workshop will be facilitated by Heartland Center for Leadership Development.

Come join us in this important workshop. There is no cost to attend and meals will be provided. Due to limited seating; please, no children.
